Sarang Hall, Bharadwaja Block Dundigal

Hyderabad - 500 043 Telangana, INDIA

ABOUT THE INSTITUTE

Institute of Aeronautical Engineering (IARE) was established in the year 2000 with a mission 'Education for Liberation'. Started with aircraft maintenance engineering in the year 1994, it has gradually transformed itself into a premier integrated interdisciplinary technological institute offering UG and PG programmes in CSE, IT, ECE, EEE, AERO, MECH and CE and MBA.

IARE along with its manufacturing industry partners has been working at the forefront of creating products, which can serve enablers to create an ecosystem for smart manufacturing. Our Institute runs as a **Science & Technology Start-Up Park (STSP)**, a technology business incubator facility to support start-ups in the areas of information technology, electronics and mechanical engineering enabling "**Smart Manufacturing via the Make in India Initiative**". It aims at offering students with innovative ideas and an opportunity to become entrepreneurs. Promising candidates, who have exciting ideas, can start right from the first year.

STSP functions in association with the Ministry of Micro, Small Medium Enterprises, the Confederation of Indian Industry, National Entrepreneurship Network, Ministry of Skill Development & Entrepreneurship, PMC IEDC, ITCOT, EDI, SIDCO and TIIC.

OBJECTIVE OF THE WORKSHOP

Startups are becoming very popular in India. The Government under the leadership of Prime Minister Narendra Modi has started and promoted Startup India. The objective of this workshop is to promote growth and help Indian economy; many benefits are being given to entrepreneurs establishing startups. Focus is on right kind of orientation to participants to strengthen knowledge on startups with basic concepts and practical approach to set up their own enterprise.
